

WHAT IS SCAN?

The Statewide Classified Advertising Network (SCAN) is the easiest way to reach hundreds of thousands of Montana residents through a network of 67 newspapers in one convenient place at a significant discount, saving you both time and money.

BIG SKY. BIG IMPACT.

GUIDELINES

- Deadline for most weeks is **Wednesday at 5pm**. This may vary near major holidays. Please give us a call at 406.443.2850 for complete information.
- **All rates are NET.** All payments are due at the time of placement. We accept all major credit cards. If not paying by credit card, please send certified check or money order. **If you choose to use a personal or business check, allow 10 days for check clearance.** Ads will not be placed until the check clears.
- All legal ads are accepted. Adoption ads must be placed by a placement agency or individual licensed by the State of Montana Department of Family Services.
- **We cannot guarantee 100 percent placement of any ad.** It is left to the discretion of individual newspapers to accept or reject ads according to policies at the individual papers.
- **The Montana Newspaper Association does not provide tearsheets from each newspaper,** but the MNA does monitor publication in all the newspapers and can, upon request, provide a notarized Affidavit insertion order to the newspapers.
- **A 25-word SCAN ad costs only \$149 (plus \$4.75 for each additional word over 25)** - a small fraction of a cent per household. That's less than \$3 per newspaper!
