

LEARN MORE ABOUT MONTANA FARMERS UNION DAY CAMPS

Montana Farmers Union has designed local, community driven Day Camps. The Montana Farmers Union Ambassadors typically facilitate the day camps with the help and support of the education staff. The day camp is designed to be a scaled-down version of the Arrowpeak Camp experience. Some advantages of the day camp for campers and families are reduced travel and costs, no overnight stays to worry about, and shorter length to fit into busy schedules. We can accommodate a wider age range of youth at day camps.
