

The — DANIELS COUNTY —
LEADER

After **102** years in my family,
*I'm exploring new ownership
for the Daniels County Leader.*

— **SCOBEY, MONTANA** —

To be clear, this opportunity
is for the
NEWSPAPER BUSINESS ONLY.

While we can discuss different packages later,
it does not include real estate or other operations,
allowing for a more affordable and
manageable transition.

It's not about
funding retirement.

Our goal
is simple:

Keep the
Daniels County
Leader going
strong.
