BASIN ELECTRIC POWER COOPERATIVE

A Touchstone Energy® Cooperative

OPEN HOUSE

WILDFIRE MITIGATION PLAN

Basin Electric recognizes that wildfires pose a threat to public safety and the reliable delivery of electricity across its service territory, including eastern Montana. The cooperative has developed a Wildfire Mitigation Plan that establishes a framework for prevention, preparedness, response, and continuous improvement.

The public is welcome to join Basin Electric at an open house in Sidney, MT, to learn about the Wildfire Mitigation Plan. Refreshments will be provided. The plan will be available for review on Basin Electric's website beginning Nov. 20. Comments can be sent to publicnotice@bepc.com through 5 p.m. MST on Dec. 11.

WEDNESDAY, DEC. 9 • 9-11 A.M. MST

Lower Yellowstone Rural Electric Cooperative
3200 West Holly St., Sidney, MT
